## Cleaning projectiles Flex

Similar image

**Art. No.:**

**PTC-PR35-36-FLEX**

Flex projectiles made of elastic homogeneous foam rubber that quickly regains its shape after deformation. Can also be used in the case of tight cross-section constructions. Recommended for subsequent cleaning of connected hose assemblies

## Product info

### Specifications

Pipe-inner-Ø [mm]: 3-50

## Cleaning projectiles Standard

Similar image

**Art. No.:**

**PTC-PR22-23**

Standard projectiles particularly suitable for removing loose particles from tubes and hoses. Standard projectiles are made of high-quality composite foam rubber

## Product info

### Specifications

Pipe-inner-Ø [mm]: 3-50

Material: composite foam
